Attachment I**National Yang-Ming University Foreign Student Admission Regulation**

(The following regulations are about applicant status)

1. The term "foreign students" as used in these regulations means students who don't have the R.O.C. nationality, as defined in the Article II of **Nationality Act**※, neither overseas Chinese nor R.O.C. nationals, who apply to study in Taiwan in accordance with these regulations.
2. Those who have dual nationality with the R.O.C. nationality and a foreign nationality are not qualified to apply for admission if the period of the renunciation of their R.O.C. nationality is less than 8 years since the date, on which a revocation was issued from the Ministry of the Interior.
※ The eight years period as prescribed above shall be calculated from the date of when the semester begins as set by each individual school
3. Overseas Chinese who is not of R.O.C. nationality may choose to apply either to the universities for foreign student admission, or to the Ministry of Education for overseas Chinese student admission.
4. Upon completion of the course of study at the school in the R.O.C. for which a foreign student applied, the student's admission to higher academic levels shall be handled in a manner identical to admissions for local students.
5. Any foreign student who has been withdrawn from a university or a college after admission may not thereafter apply again for admission under these regulations.
6. The senior high schools include overseas Taipei schools and schools for overseas Chinese.
7. Foreign students who graduate from a school for foreign residents located in the R.O.C., or from a bilingual division (program) affiliated with a senior high school in the R.O.C., may use the graduation certificate received from such schools to apply for admission to a university or a college.

※Nationality Act

Article II

A person shall have the nationality of the Republic of China under any of the conditions provided by the following subparagraphs:

1. His/Her father or mother was a national of the Republic of China when he/she was born.
2. He/She was born after the death of his/her father or mother, and his/her father/mother was a national of the Republic of China at the time of death.
3. He/She was born in the territory of the Republic of China, and his/her parents can't be ascertained or both were stateless persons.
4. He/She has undergone the nationalization process. Proceeding subparagraph 1 and subparagraph 2 shall also apply to the persons who were minors at the time of the revision and promulgation of this Act.

FORM I. Declaration Form

Declaration Form

1. This form is only for applicants who do not have overseas Chinese status and do not hold a Republic of China passport, except for applicants who hold Hong Kong or Macau citizen status. Foreign applicant who held R.O.C. citizenship within the past eight years is not eligible for application. The provision specified in the preceding paragraph “eight years” is from the loss of R.O.C. nationality to the first term beginning on the calendar of NYMU. Please see **Attachment I**
2. All the documents I provide (including my diploma, passport, and other related documents) are valid. If it is discovered that I have violated any university regulation, my admission to NYMU will be canceled, my student status revoked, and no transcript will be issued.
3. Foreign students who have already completed in Taiwan the applied degree program or have been expelled from university are not eligible to re-apply for admission. Breaking this rule would result in immediate cancellation of the applicant’s admission or the deprivation of the applicant’s recognized status as NYMU registered students.
4. I authorize National Yang-Ming University to undertake a verification of the information (including diploma, passport and any photocopies of official documents) I have provided. And if any of it is found to be false after I enter NYMU registered student, I have no objection to be deprived of registered student status.
